

Summer Special Restaurant Collaboration

Join the excitement at Foundry qathet!
Promote your restaurant while supporting a great cause.

What is Foundry qathet?

Foundry is a province-wide network of integrated health and wellness services for young people ages 12-24. The goal of Foundry is to reach young people early so that we can help address small problems before they become bigger ones.

Foundry brings together existing youth-focused services under one roof to provide an integrated approach to youth wellness. A location for Foundry qathet is on the horizon and will be announced soon.

Youth in our community are looking forward to services and a drop-in centre.

HELP SPREAD THE WORD!

By creating a special menu item for Foundry qathet and donating a portion of the proceeds, you can help our cause, and we will in turn promote your restaurant.

We will include your offer on two full page ads in the Peak (July 3 and August 7), on our websites, social media, at in-person events and more!

Other options are to post a poster, host a fundraiser or make a donation. **Call Delyth 604-223-7047**
