WILLIAMS LAKE

WHERE WELLNESS TAKES SHAPE

# Foundry is coming to Williams Lake!

Foundry is transforming how young people access health and social services throughout British Columbia.

Foundry Williams Lake will bring many services together under one roof to make it easier for young people and families to find help and support.

We will offer free and confidential services for young people ages 12 to 24 who are navigating life's challenges, large and small.

Foundry centres are created for young people, by young people! We are currently recruiting for our Youth Advisory Committee (YAC), which will:

- Help inform and create the decision making process for the centre
- Help form the physical aspects of the centre, services available, etc.
- Once open, the YAC will continue to be an integral part of the team and shape youth services in Williams Lake!
