WHERE WELLNESS TAKES SHAPE

Foundry is coming to Terrace!

Foundry is transforming how young people access health and social services throughout British Columbia.

Foundry Terrace will bring many services together under one roof to make it easier for youth and families to find help and support.

We will offer free and confidential services for young people ages 12 to 24 who are navigating life's challenges, large and small.

Whether it's seeing a doctor, getting help with employment and education or answering questions about stress and anxiety.

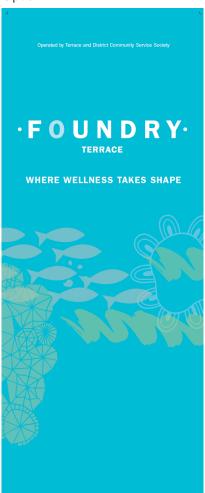

Foundry supports the wellness needs of youth and their families.

Learn about how you can support this initiative in your community at foundrybc.ca/terrace
