#### Expectations of the YMCA

To create an enjoyable atmosphere for all participants, the YMCA core values of honesty, caring, respect and responsibility have been incorporated into all services provided. We ask for your support in respecting the rights of all YMCA members, volunteers and staff. Unsafe, disrespectful or inappropriate behaviour may result in suspension and/or removal of membership/program privileges.

We ask everyone to follow these basic etiquette guidelines:

- Please be courteous and practice good hygiene in the showers, steam rooms and locker rooms.
- For your comfort and safety the YMCA requires that you wear a shirt and shorts or sweat pants and indoor athletic shoes when utilizing the facility.

- For safety reasons, please leave jackets and bags in the locker room rather than bringing them to the gym, studios, strength and conditioning areas.
- Food and glass containers are not permitted in any area.

To ensure the safety and security of children while at the YMCA, children and youth under the age of 10 must have a parent accessing the facility with them and adhere to the YMCA Youth Policy. For a copy please ask a Membership Services Representative.

Emergency procedures are in place at all YMCA facilities. In the event of an emergency, immediately contact a staff person or Member Services. If the fire alarm sounds, stop all activity and wait for staff instruction. Please report any suspicious activity, health and safety or maintenance concerns to YMCA staff immediately.
