

You can win access to 11,000+ world-class courses, certificates, degree programs and more!

Coast Capital Savings has teamed up with Coursera, a global platform that provides access to online education from leading universities and companies. Through this initiative, they are offering 25 Foundry centre staff a FREE license which includes unlimited access to 11,000+ world-class courses, certificates, degree programs and more!

The Benefits of Coursera

- Learners can study subjects such as business, technology, data science, health and social sciences from top universities, like Yale and Princeton.
- Learners can engage in professional development with industry- recognized certificates from top companies such as Google, IBM, and Meta.
- Learners can study at their own pace, move between multiple courses, and earn a certificate for every learning program that they complete.

What's in it for you?

- **56% of learners are performing better at their current job.**
- **84% of learners report career advancement.**
- **31% of learners grow their careers within 6 months.**

Who Can Enter?

All Foundry centre staff are eligible to enter.

How?

Complete this short entry survey by Friday, February 16th

Enter now for an opportunity to gain further skills on your professional development journey!

Next Steps:

- Winners will be selected through a random draw.
- Staff selected will be contacted by FCO and provided with a Coursera licence (valid until December 31, 2024) and registration package.
