- Foundry Family Peer Supporters (FPS) who provide support to family/caregivers
- Clinical Supervisors

Prerequisites

- EFFT Core 1 Training

Foundry would like to acknowledge, with much gratitude, that our work takes place on the many Indigenous territories across what is now known as BC, that have existed since time immemorial.

We recognize that these territories, and all of the lands across Turtle Island are home to First Nations, Métis and Inuit people. We recognize and respect Indigenous peoples as the stewards of this land and acknowledge the enduring relationship that exists between Indigenous peoples and the land and waters.
