Generation: How Trans Kids
(and Their Parents) Are
Creating a Gender
Revolution*

About the session

This session is designed specifically for parents and caregivers of trans and gender-diverse youth, and will create space for connection, learning, and courage in the face of rising anti-trans hate. Foundry centre and co-located staff are welcome to attend, with the understanding that the conversation will centre the caregiver experience.

This 90-minute session will include a short presentation, followed by Q&A and discussion.
