

"I'm so grateful to Coast Capital for the opportunity to access 'Preparing to Manage Human Resources' from the University of Minnesota through Coursera. With the support of my Coursera education both through the knowledge and confidence gained, I was able to achieve a promotion to Executive Director and advance my career."

— Terri, *The Children's Foundation*

Learn for free and grow your career.

Get your free Coursera license from Coast Capital.

1. Visit coastcapitalsavings.com/coursera-gift, click on the **"Register Now"** button, and enter your personal information. Under "How did you hear about this opportunity?" please select **"Community Organization and/or Non-Profit"** and type in **the name of the organization that sent you this offer**.
2. Submit your form and wait to receive an email from Coursera within 7-14 days.

If you have questions please reach out to:

Tara Walter, Manager Social Purpose Ecosystem at tara.walter@coastcapitalsavings.com

Terms and Conditions

1. The free Coursera licence is active until December 31st of the issuing year unless otherwise indicated.
2. Results in the 2023 Coursera Learner Outcomes Report are based on a web survey conducted from January 25–March 1, 2023, with a sample of 55,648 respondents who completed a course, Professional Certificate, Specialization, University/Master Track Certificate, or degree program on Coursera between June 1, 2021, and September 30, 2022. Learners surveyed may have paid an additional fee to obtain courses through Coursera that are not included with the free Coursera license in the Coast Capital Elevate Chequing Account. The Coursera Learner Outcomes Survey was conducted in English only. The sample size enabled Coursera to obtain results with a 95% confidence level when measured against the industry-standard range of error, with the exception of University/Master Track Certificates and degree learners, whose results are only reported out as part of the full learner sample.
