Manager, Foundry Ridge-Meadows & Youth Housing

Maple Ridge/Pitt Meadows Community Services is an accredited, multi-service organization that has been dedicated to providing quality programs and services to our communities since 1971. We foster a sense of belonging, work alongside community partners, and meet people with honesty, compassion, and strength. Through our work, we support people to thrive and lead lives filled with possibility and purpose.

Are you a compassionate, strategic leader who is deeply committed to advancing youth wellness and housing initiatives designed to empower young people? As **Manager, Foundry and Youth Housing**, you will lead a dedicated team of 15–20 staff delivering integrated, trauma-informed services to youth within our community.

This unique leadership role bridges two dynamic programs—**Foundry Ridge-Meadows** and our **Youth Housing program**—and requires balancing the values and priorities of both Community Services and the Foundry provincial initiative. You'll drive service innovation, foster inclusive and culturally responsive practices, and support youth navigating mental health, substance use, harm reduction, and identity.

Our ideal candidate will:

- Bring 5+ years in youth/family services and 3+ years in management (clinical or social services preferred)
- Lead with empathy, urgency, and a commitment to equity
- Thrive in fast-paced, multi-stakeholder environments
- Excel in relationship-building, staff development, and program oversight
